Life Thoughts... Epiphany 2...

Life issues (abortion, suicide, sexual identity, physician-assisted suicide to name a few) can often be the result of a person trying to solve their own problems or fulfill their own needs instead of relying upon the Lord to help them. The appearance of our Lord as the sacrificial Lamb of God (John 1) reminds us that God is always faithful (Isaiah 49:7), even at the cost of His own blood. By faith in Christ, we can and should wait patiently for the Lord (Psalm 40:1) and make Him our trust (Psalm 40:4) in any and every situation, and we should invite our neighbors to do the same.

Making more and stronger disciples of Jesus Christ through the power of the Holy Spirit.
